I'll take care of you
Don't be sad, don't be blue
'Cause I'll never break your heart in two
'Cause I'll take care of you

I'll kiss your tears away
I'll end your lonely days
All that I'm really trying to say
Is I'll take care of you

I want you to know
That I love you so
I'm proud to tell the world you're mine
I've said it before,
I'll say it once more,
You'll be in my heart 'till the end of time

I'll take care of you,
Don't be sad, don't be blue
Just count on me your whole life through
And I'll take care of you

(Instrumental)
(Repeat III)
(Repeat IV except the last two words)

And I'll take care,
I'll take care of you...
