Where did you go  
When things went wrong now, baby?  
Who did you run to  
And find a shoulder to lay your head upon?

Baby, wasn't I there?  
Didn't I take good care of you?  
Oh, no, I can't believe  
You're leaving me

Stay with me baby  
Stay with me baby  
Stay with me baby  
I can't go on

Who did you trust  
When you needed tenderness?  
I gave you so much  
And in return I found happiness

Baby, what did I do?  
Maybe I was too good to you  
Oh, no, I can't believe  
You're leaving me

Stay with me baby  
Stay with me baby  
Stay with me baby

Remember, you said you'd never, never leave me  
Remember, you said you're always gonna need me  
Remember, remember  
I'm askin' you, beggin' you, please, please

Stay with me baby  
Please stay with me baby  
Stay with me baby  
I can't go on

Stay with me baby  
Please stay with me baby  
Stay with me baby

Stay with me baby

Stay with me baby

Stay with me baby
