You can't lie to a liar, don't try  
You can't cheat on a cheater, I'll tell you why  
You see I lied myself before, and I think I know the  
score  
You don't love me anymore

You can't sin on a sinner, you're goin' to regret it  
You can't fake on a faker now, you'd best forget it  
You see I fooled around before, and I think I know the  
score  
You don't love me anymore

Well, I lied and I cheated  
But I never, never thought I'd have it done to me  
Now you've gone just as far as I'm goin' to let you go  
I'm not goin' to let you make a fool of me

You can't lie to a liar, don't try  
You can't cheat on a cheater, I'll tell you why  
You see I lied myself before, and I think I know the  
score  
Well, you don't love me anymore

Well, I lied and I cheated  
But I never, never thought I'd have it done to me  
Now you've gone just as far as I'm goin' to let you go  
I'm not goin' to let you make a fool of me

You can't lie to a liar, now don't try  
You can't cheat on a cheater, I'll tell you why  
You see I lied myself before, and I think I know the  
score  
Well, you don't love me anymore

You see I lied myself before, and I think I know the  
score  
Well, you don't love me anymore  
You know I lied myself before, and I think I know the  
score  
Oh, you don't love me anymore
