Yea  
Who-oh

[Verse 1:]

He never noticed baby your so sweet  
Like nobody else that I've seen  
Oh so chocolate with every compliment your feeling  
more confident that's my strategy  
I noticed you be seranate me  
Like you got something I need  
Baby it's obvious but maybe if I could just propose a  
partnership I could

[Hook:]

Be everything that you need me to be for you  
Oh I wanna take such good care of you (Ay)  
Come on baby lessons I'm a share with you  
As long as you understand what it is don't get it  
confused  
Don't ever wanna let you feel pain tomorrow  
From my pimp handle still layin low  
Yea

[Chorus:]

Uh so don't be lookin all good and stuff (heck na)  
Na cause I'm a go and get the pimp cup (you let me)  
Yea and let them models keep slippin up (listen up)  
Listen don't make me go and get the pimp cup (pick it  
up, pick it up)  
Yup I'm bout to get the pimp cup (pimp cup, pick it up,  
pick it up)  
I'm bout to get the pimp cup (pimp cup, listen up)  
Ladies hold em high put em up (get em up)  
Get your pimp cup  
Show em how you pimp stuff fool

[Verse 2:]

And now your actin so darn cool  
Gave me a long list of issues too  
Don't you know I'm workin over time not searching for  
your winning words and it's a fuse

What, what now where I been at where I'm going say  
what?  
Baby don't get it mixed up or twisted  
Sit a far pull out the pimp cup  
Drop it, you outta pocket changing topics and I'll

[Hook:]

Be anything that you want me to be to you  
Oh I wanna take such good care of you (Yea-hey)  
Come on baby lessons I'm a share with you  
As long as you understand what it is don't get it  
confused  
Don't ever wanna let you feel pain tomorrow (Hey-yea)  
From my pimp handle still layin low (Yea-a-ya)  
Yea, (Yea)

[Chorus:]

Uh so don't be lookin all good and stuff (heck na)  
Na cause I'm a go and get the pimp cup (you let me)  
Yea and let them models keep slippin up (listen up)  
Listen don't make me go and get the pimp cup (pick it  
up, pick it up)  
Yup I'm bout to get the pimp cup (pimp cup, pick it up,  
pick it up)  
I'm bout to get the pimp cup (pimp cup, listen up)  
Ladies hold em high put em up (get em up)
