Make them boys go loco
They want my treasures so they get their pleasures
from my folks like
Want want my treasures... want want my treasures,
they want my treasures
Want want my treasures... they want want my treasures
Want want my treasures... they want want my treasures
Want want want my treasures... they want want my
treasures
Want want want my treasures... they want want my
treasures
Want want want my treasures... they want want my
treasures
Want want want my treasures... they want want my
treasures
Want want want my treasures... they want want my
treasures
Their bodies, their bodies they jip
My body stay body stay body stay gip
My body stay body stay body stay gip
My body stay body stay body stay gip

Hey hey hey

See me walking down the street better hangin...
Bottles on... is gotta...
They came us with nobody who... step the...
And if they aint' about the paper I don't whisper come
home
They got stopping, they go me droppin,
The thing is poppin and everybody's watchin
I'm so... the... is on it, tryin to put the hands all over by
treasures

Chorus:

They want want my treasures... want want want my
treasures
They want want my treasures... want want want my
treasures
They want want my treasures... want want want my
treasures

Their bodies, their bodies they jip
My body stay body stay body stay gip
My body stay body stay body stay gip
My body stay body stay body stay gip

Talking to me like is something that you wanna stop me
Can you hold your breathe... water while you're crying
Looking for that tryin to get a...
Want us to my... they can bring us like a pirate
I got em stop it, they might be droppin
The thing is poppin and everybody's watchin
I'm so... the boy is on it, try to put the hands all over by
treasures

[Chorus:]
