Oh baby, you're the finest, the finest, I've seen
Oh baby, you're the finest, the finest, I've seen
Oh baby, you're the finest, the finest, I've seen
Oh baby, you're the finest, the finest, I've seen

If I had a choice
I'd always choose love
Up or down
In or out
I don't mind
Just as long as it's true
My friends say I'm lucky
To have found someone as good as you
My love's understanding
Understanding how to hold onto you

(!!)After all that we've been through
Time won't change the way I feel about you
Out of all the love before, (love before)
You're the finest I've ever known
After all that we've been through, (we've been through)
Time won't change the way I feel about you
Out of all the love before, (love before)
You're the finest I've ever known

Baby, you're the finest
I've never met anybody like you
You can call me
I'll come on and... (just call me)

If i had to choose
I'd be by myself
I wanna be in love
Or with nobody else
Time flies when you're with me
Goes so slow whenever you're away
Made up my mind and I'm positive
I thought love would never come my way

[Repeat From - !!]

Oh baby, you're the finest, the finest, I've seen

Oh baby, you're the finest, the finest, I've seen
Oh baby, you're the finest, the finest, I've seen
Oh baby, you're the finest, oh baby you're the finest

[Repeat From - !!]

Baby..... you're the finest
I've never met anybody like you
You can call me
I'll come on and
