Were you lovers or just strangers,
Crossing each others lives.
Were there moments of true love,
When you looked on each others eyes.
Oh, it's crazy how it's all over now,
And to think how you have cried,
When you made up, never gave up,
You had hope and oooh, you
survived.

There's a fantasy, but just let it be,
Yeah, there are those
Who would have you believe
That your love was all wrong,
You never belonged.
It's a lie, don't walk out and leave.
Wish I may, wish I might,
Have this wish tonight,
That you'll make up, never break up,
And your love will be an endless
flight.

Endless Flight there's
Nothing in your way tonight.
It's too fast how we live,
Takin' back all we give,
Never leaving enough but the pain.
Oh, I know in my heart,
You'll be fallin' in love again.
So do it now and do it up right,
Take your hearts on an endless flight.
And feel the way you did
One summer night.

Endless Flight there's
Nothing in your way tonight.
It's too fast how we live,
Takin' back all we give,
Never leaving enough but the pain.
Oh, I know in my heart,
You'll be fallin' in love again.

So do it now and do it up right,
Take your hearts on an endless flight.
And feel the way you did
One summer night.
