I took a walk  
Through the center of downtown  
Gray Sunday morning  
Not a soul in view

Just an excuse  
To get my thoughts together  
That sure ain't easy  
If what you say is true

Cause Mary  
I don't wanna be a memory  
Who came around  
When you had nothin' to do  
Maybe remindin' you  
Of someone other  
No way that thought is  
Gonna get you through

Oh Mary,  
Let me show you some kindness  
Oh-oh you know  
I care about you  
Oh-oh leave your cryin' behind you  
Oh-oh you know  
Your dreams will come true

So you throw it all away  
You say forget it  
I just can't believe  
The words I hear from you

Oh Mary,  
Let me show you some kindness  
Oh-oh you know  
I care about you  
Oh-oh leave your cryin' behind you  
Oh-oh you know  
Your dreams will come true
