What's goin' on  
All my dreams at night  
Seem to say I love you  
You're a part of my life  
It's more than admire  
You're the heartbeat I feel in desire  
With every moment passin' by  
I think of you  
MMM-do I love you I do  
Whenever I find myself in a bind  
You're all that'll do  
I know I was right  
Lo and behold it was love at first sight  
I'm reachin' out - ooh I need you

Oooh I'm a dreamer  
Is there more than meets the eye  
It's lookin' so good  
I hardly believe it, my my  
I'll never forget it  
Or ever regret it

You gave me wings to fly  
I'm gonna take on off and  
Let you know I'm alive  
I'm gonna fly  
What's goin' on  
All my dreams at night  
Seem to say I love you  
You're a part of my life

I know I was right  
Lo and behold it was love at first sight  
I'm reachin' out-oh I need you

Oooh am I a dreamer  
Is there more than meets the eye  
It's been lookin' so good  
I hardly believe it, my my  
I'll never forget it  
Or even regret it

You gave me wings to fly  
I'm gonna take of and  
Let you know I'm alive  
Ooh dreamer
