Jesus you pick me up when I'm down
Carry me around whenever I'm weary
You give peace that passes all understanding to me

(repeat chorus)

I will rejoice in You always and again I say rejoice
Help me to stand fast in You and let me be a voice
One of moderation in everything I do
With prayer and supplication I'll always come to You

(repeat chorus)

And I would do anything anything that would bring
My heart near to You
I want to be in that place where I can see your face
Always looking at me -- looking at me

Oh Jesus

Whatsoever things are true are honest, just and pure
And whatsoever is lovely too and of good report be
sure
If there is any virtue, any praise that's due
I'll always think on those few things
Cause they remind me of You

(repeat chorus)

You give peace that passes all understanding
Peace that passes all understanding to me
