I'll never be the same since I found  
you  
I wouldn't believe it myself, ah, but  
it's true.  
You'll always be the one I am bound  
to,  
The love of my life, oh, for always,  
And if ever you'd think  
That my heart could be changing  
If ever you'd think  
I'd be changing my mind  
I'm just not that kind.  
It's a promise of love we will share as  
one under the sun,  
A promise of love of the work in us  
that He just begun,  
Heaven on earth we'll be living our  
lives together.  
Ooh, forever, you're heaven sent  
and I...

Will never be the same since I found  
you,  
And, ooh, Lord, I thank You for the  
one You sent my way.  
And now we're standing here before  
You as our love grows,  
Precious in Your eyes, oh Lord.  
And if ever you'd think  
That my heart could be changing  
If ever you'd think  
I'd be changing my mind  
I'm just not that kind  
It's a promise of love we will share as  
one under the sun,  
A promise of love of the work in us  
that He just begun,  
Heaven on earth we'll be living our  
lives together.  
Ooh, forever, you're heaven sent  
to me.
