We have just begun to love now
You touched my heart and made me cry
And who should need a reason why
When all I need to say is
Love has found a way
And I'm "Satisfied"

It's not to say when we were younger
We never knew what made love real
It seemed your kiss were there to steal
You took my heart and ran
Said I was your man
And oh I, was "Satisfied"

So let me hold you in my arms
My heart is poundin' inside
Whenever you are there
There's magic in the air
Baby let me say to you
I'm "Satisfied"

I watched to see if you were listening
The first time I said I loved you
Ooh I saw your smile come shinin' through
I couldn't help but feel
You gave your love for real
And oh I, was "Satisfied"

So let me hold you in my arms
Ah, my heart is poundin' inside
Whenever you are there
There's magic in the air
Baby let me say to you
I'm "Satisfied"

So let me hold you in my arms
My heart is poundin' inside
Whenever you are there
There's magic in the air
Baby let me say to you
I'm "Satisfied"
