This magic moment
So different and so new
Was like any other
Until I met you
And then it happened
It took me by surprise
I knew that you felt it too
By the look in your eye
Sweeter than wine
Softer than a summer night
Everything I want I have
Whenever I hold you tight
This magic moment
While your lips are close to mine
Will last forever
Forever till the end of time

Sweeter than wine
Softer than a summer night
Everything I want I have
Whenever I hold you tight
This magic moment
While your lips are close to mine
Will last forever
Forever till the end of time
This magic moment
This magic moment
