What will you do to replace,  
Moments too late to erase.  
What once was here will be gone  
Paid for in full all belong  
A bounty in spite of Babylon  
Jezebel or Immanuel.

Many are called, yet for some,  
They live their life on the run,  
Cryin' for the love they thought  
they'd won,  
But what is the price one must pay,  
Will you lay down your life on that  
day,  
The man with the mark comes to  
make his way  
If you live or die, there's a reason why.

Through it all, some will fall,  
While others will stand in awe.  
Reaching up to fill their cup  
With love that's more than enough.  
I have to be standin' free,  
When I see the clouds rollin' by,  
Call His name without shame,  
Jesus will reign  
Through it all, through it all.

After it's all said and done,  
Will you find your place in the Son,  
The moment of truth has finally come,  
And just like the Scriptures have said,  
Jesus is living, not dead,  
And now the Book of Life will be  
read,  
Every knee'll bow,  
Every tongue'll vow.

Through it all, some will fall,  
While others will stand in awe.  
Reaching up to fill their cup

With love that's more than enough.  
I have to be standin' free,  
When I see the clouds rollin' by,  
Call His name without shame,  
Jesus will reign  
Through it all, through it all.
