"Yellow Moon Rising"

See that yellow moon rising high in
the sky--there
Don't let it fool you now, oh no
It's just a feelin' but I
Don't want to find you lost
Paying a heavy cost
For nothing at all
It's a mighty long way to fall

There are angels in heaven but some
fell away
Don't let them fool you now, oh no
It's not a feelin' but I
Heard that from the garden
They were thrown out and hardened
And as I recall
It was a mighty long way to fall

You can bet on this life, but the stakes
will be high
And talk all you want about heaven
But the moon in your eyes and those
in disguise
Won't get you to paradise

Temptations are many with hearts
running wild
Don't let them fool you now, oh no
It's not a feeling cause I
Crossed that line and lived a lie
Suffered but didn't die
Saved from it all
A mighty long way to fall

You can bet on this life, but the stakes
will be high
And talk all you want about heaven
But the moon in your eyes and those
in disguise
Won't get you to paradise

If you're fallin', fallin'; if you're
fallin', fallin'
If you're fallin', fallin'; if you're
fallin', fallin'

See that yellow moon rising high in
the sky--there
Don't let it fool you now, oh no
It's just a feelin' but I
Don't want to find you lost
Paying a heavy cost
For nothing at all
It's a mighty long way to fall
