Giving it up I can see that it's better than my way
The stars'll be brighter the night time lighter some day
You've got a plan and I'm makin' a stand when I say
Givin' it up I can see it's a better way

Seein' it through when all I could do was just wait
Was hard at the time but I knew she was mine, no
mistake
Down to the wire would our love expire in hate
Seein' it through all I could do was wait

Oooo yeah how did you know and oh why I couldn't see
Oooo yeah it just goes to show, it's you and not me

Ah, you're the one I love
You're the one I need
Catch a star that's shining bright
You're the one I love.
