Day by day makin' a living in and out of the city  
Too many people too much confusion tied to a life  
That ain't pretty  
Roll with it go with it ain't got much to show for it  
Walkin' for the man you do the best you can

So take the time to live a little  
Cause you give a little with out takin'  
Take the time to live a little  
Cause you give a little without takin'

Out on the run with too much to handle  
Tryin' to find the answer  
Play by the rules takin no chances  
Livin' a life that ain't livin'  
Roll with it go with it ain't got much to show for it  
Walkin' for the man you do the best you can

So take the time to live a little  
Cause you give a little with out takin'  
Take the time to live a little  
Cause you give a little without takin'

Spendin' the years wastin' away takin'  
About all your missing  
You got to try to make a difference  
If you want more than your livin'  
Roll with it go with it ain't got much to show for it  
Walkin' for the man you do the best you can

So take the time to live a little  
Cause you give a little with out takin'  
Take the time to live a little  
Cause you give a little without takin'
