I make you feel like its love but you know I'm a
player

Player Player Won't you see that I can't let it go
Player Player Won't you see that I want you to know
Player Player I make you feel like its love but you
know I'm a player

I'm like a mirror that reflects desire
I'm just a city light talking to what you feel inside
You know That I can take you to the devil can you take
me to god?
I'd give it up I'd give it up but what should I

I'm a Player Player can't you see that I want you
to know
Player Player cant you see that i can't let it go
Player Player i make you feel like its love but you know
I'm a player

I'm not a savior I'm just not that kind
I aint looking for the answers or borrowing time cuz i
got all mine
I wanna take it to the limit and take it to the max
Live it up live it up baby dont hold back

I'm a Player Player can't you see that I want you
to know
Player Player Can't you see that i can't let YOU
go
Player Player I make you feel like its love but you know
I'm a player

Player Player Won't you see that!
Player Player Won't you see that! I want you to
know
Player Player You make it feel like!. I can't let you
go
Player Player You know I feel like! Im falling in love
Player Player oooo you feel so right I can't let you

go
Player Player Girl it feels like I'm falling in love with
a Player
