Why do birds suddenly appear every time you are  
near?  
Just like me they long to be close to you  
Why do stars fall down from the sky every time you  
walk by?  
Just like me they long to be close to you

On the day that you were born  
The angels got together and decided to create a  
dream come true  
So they sprinkled moon dust in your hair  
Of gold and starlight in your eyes of blue

That is why all the boys in town follow you all around  
Just like me they long to be close to you  
Just like me they long to be close to you
