There's nothin' I can say
There's nothin' I can do
To show you the love
That I got for you

There's nothin' in this world
That could ever take your place
When I look into your eyes
I see a sweet face

I'll never set you free
'Til you give your love to me

'Cos I love you
(I'll never set, set you free)
And I need you
(I'll never set, set you free)

Yes, I want you
(I'll never set, set you free)
'Cos I love you
(I'll never set, set you free)

Will you open up your heart
So love could make a start
I know that if you do
Dreams may come true

I'll never set you free
'Til you give your love to me

'Cos I love you
(I'll never set, set you free)
And I need you
(I'll never set, set you free)

Yes, I want you
(I'll never set, set you free)
'Cos I love you
(I'll never set, set you free)

I'll never set you free

'Til you give your love to me

There's nothing you can do
To stop my love for you

'Cos I love you
(I'll never set, set you free)
And I need you
(I'll never set, set you free)

Yes, I want you
(I'll never set, set you free)
'Cos I love you
(I'll never set, set you free)

'Cos I love you
(I'll never set, set you free)
And I need you
(I'll never set, set you free)

Yes, I want you
(I'll never set, set you free)
'Cos I love you
(I'll never set, set you free)

'Cos I love you
(I'll never set, set you free)
