There could never be a portrait of my love  
For nobody could paint a dream  
You will never see a portrait of my love  
For miracles are never seen

Anyone who sees her  
Soon forgets the Mona Lisa

It would take, I know, a Michelangelo  
And he would need the glow of dawn  
That paints the sky above  
To try and paint a portrait of my love

It would take, I know, a Michelangelo  
And he would need the glow of dawn  
That paints the sky above  
To try and paint a portrait of my love
