(Vladimir Cosma/Jeff Jordan)

Met you by surprise, I didn't realize that my life would  
change for ever

Saw you standing there, I didn't know I'd care  
There was something special in the air

Dreams are my reality, the only kind of real fantasy  
Illusions are a common thing, I try to live in dreams  
It seems as if it's meant to be  
Dreams are my reality, a different kind of reality  
I dream of loving in the night and loving seems all right  
Although it's only fantasy

If you do exist, honey, don't resist, show me your new  
way of loving  
Tell me that it's true, show me what to do  
I feel something special about you

Dreams are my reality, the only kind of reality  
Maybe my foolishness is past, and maybe now at last  
I'll see how the real thing can be  
Dreams are my reality, a wondrous world where I like to  
be  
I dream of holding you all night and holding you seems  
right  
Perhaps that's my reality

Met you by surprise, I didn't realize that my life would  
change for ever  
Tell me that it's true, feelings that are new  
I feel something special about you

Dreams are my reality, a wondrous world where I like to  
be  
Illusions are a common thing, I try to live in dreams  
Although it's only fantasy  
Dreams are my reality, I like to dream of you close to  
me  
I dream of loving in the night and loving you seems  
right

Perhaps that's my reality.
