Verse 1:

Children cries
on the street
they don't have
enough to eat.
Mothers wait
for days all end
a hopeless situation they can mend.

Is it good for you?
Is it good for me?
I don't know how the world can sleep
Is just not right
hold the daughter out the lies.

refrain:

They better be the once you love.
The children of to get some love
uh.uh.uh.uh.
They better be, the once you love
if no one else should ever get enough
they better be the once you love.

Verse2:

Daddy waits
every night
a little word

it host the fight
something's wrong
in times like these
it's enough to bring your man down to he's knees

is it good for you?
is it good for me?
I don't know how the world can sleep
it can be right
to hold your daughter out the lies

Refrain:

They better be the once you love
the children of to get some love

uh.uh.uh.uh.

If no one else should ever get enough
they better be
the once you love

:They better be the once you love:

Refrain.

(repeats to the end).
