Hallelujah when I do ya

[Verse One]

Shit, I ain't never seen an angel, virgin bitches with halos

But my secular metaphysical theology is fatal  
Because me with a mic cable is a religious experience in itself

I got a message from God

He said, "Don't even try to fuck with me," suckered reluctantly

Carried the cross and uppercuts and at that, I'm hazardous

I speak to the heads and raise the dead like Lazarus  
Led the fucking lambs to the slaughter, and walked on water

When it's frozen, in the ground influence and I'm on point

like the unicorn and you need a form, to bring rains to Desert Storm for 40 days and 39 nights

So my cerebral flows flood the Earth with a, megahertz  
And the first shall be last and the last shall be first

Reciting a biblical verse before I make your melon burst  
Like that nigga Jules from Pulp Fiction

My salvation is salivation, indiction crucifixion

It's a blessing just to live another day they say

Because the Lord giveth, and the Lord taketh away

So my niggaz pray five times a day and still carry a Trey-five-seven (On Earth, As It Is In Heaven)

[Chorus]

(On the planet) Earth, it was my place of birth

Born to be the sole controller, of the universe

Drinking with the Lord and shoot dice with Christ

Hitting seven, On Earth, As It Is In Heaven

[Verse Two]

Feeling like a cock, cause I be talking to a burning bush

But I'm not knowing till I fornicated with the hoe and caught the claps so, my first communion consists of

bread and wine and dioxycill in one-hundred milligram

capsules

Let the commandments begin again

Cause just like Moses on Mount Sinai, I broke all ten

For the believing, in the evening, when I covet my  
neighbors wife

I do dirt and get works to reap life, victimize  
and give us this day to make our daily bread

Cause if I'm broke I'm serving cavvy in Bethlehem

Or selling my soul to Satan, six figure record deal  
protection's my religious denomination, B.C.

I be the coming like when Mary's water broke

So let there be light, so niggaz can see I rock mics  
religiously

Those who believe ye shall receive

But non-believers, you niggaz doubt my existence like  
agnostics

The hostile gospel, I apostle, with epistles from  
speaking in tongues,

but God sewed up and gave his only begotten Son  
to set it on niggaz, blowing backwards bastards to  
Kingdom Come

And knowing the Judas in my crew

So do unto others before they do unto you

Like Rastas heads be dreadin

Phoenetic armageddeon (On Earth, As It Is In Heaven)

[Chorus]

[Verse Three]

I hit the planet like a plague

The Book of Revelations red dragon with ten horns and  
seven heads

and seven crowns skills concealed until the Seventh  
Seal revealed

to fulfill prophecy

From B.C. to AC/DC radio receivers

The messiah comes back igniting the fever in the rap  
world game

(The hit after) The three headed raptor, is after

You hear the HemisFear trinity raps rap to you Babylon  
fires

Cause thou shalt not worship false idols

Just like David guillotined Philistines even God is  
homicidal

Fucking these kids like catholic priests after mass  
Pubic hair of lamb's wool, and feet of burned brass

That I can put up in your platinum ass son

Instead I arrive the Golden Child, every knee shall bow  
when the divine styler is speaking in parables

Like old baptist churches I'm getting old bitches  
hysterical

HALLELUJAH! Praise be to my medula oblongota  
I blew God and not another nigga hotter, believe that  
Meshach  
The hip-hop martyr who sacrificed and gave my life  
But got 4Pac, so I'm livin the Thug Life in the afterlife  
Then I be walking through the pearly gates  
with an infared scope ten millimeter heater  
Cuz if my name ain't in the Book of Life I'm snuffing St.  
Peter  
Drinking the blood of Jesus Christ and pissing holy  
water  
no QUESTION who can come cleaner  
M-P-C plus M-I-C equals holy B-I-B-L-E to me  
Matrimony is getting head but I refuse to break bread  
with Jezebels, my management already gets twenty  
percent  
so fuck tieing, go to Hell  
I'd rather continue backsliding  
You're not from the tribe of Judah, so why you lying?  
Come watch the Zion, I'm signifying  
the next shit to wreck shit and see the Exodus

[Chorus]
