Lights goes dark,
Feel the heat rising,
From the crowd packed against stage
Strike a chord,
Get the place ignited,
Bass drum thumpin at a steady pace,

Bring this party to life
Hitting overdrive

Chorus:
Put The Hammer down, Get up,
Everybody on the floor, Start kicking up dust,
Scream... (Scream) And Shout... (Shout)
Stomp your feet and sing it out loud
Hammer Down, Raise a cup,
Bring it on y'all and saddle up,
Let this whole place come unwound, oh
Put The Hammer Down

Girls on shoulders,
All night long
Yelling out loud,
Yeah that's my song...
Guys are drinking,
Looking cool,
Bobbing their heads,
Cause they feel the groove

Bring this party to life
By kicking overdrive

Chorus:
Put The Hammer down, Get up,
Everybody on the floor, Start kicking up dust,
Scream... (Scream) And Shout... (Shout)
Stomp your feet and sing it out loud
Hammer Down, Raise a cup,
Bring it on y'all and saddle up,
Let this whole place come unwound, oh
Put The Hammer Down
