[Verse 1]

I daydream of Your touch  
Just how close can I come  
Face to face, eye to eye  
Cheek to cheek, heart to heart

[Pre-chorus]

To Your chambers, Lord, I run  
In Your house I find my home

[Chorus]

I fall into Your heart  
I fall into Your arms  
Your fragrance leaves me marked  
Daydreaming of Your touch

[Verse 2]

In Your arms, I will stay  
In Your gaze, I'll remain  
I've daydreamed of being with You  
We'll live together, a dream come true
