Atmosphere of LOVE!

Blow on my garden Lord!

Let the fragrance of my worship steal Your Heart!

Let the fragrance of my praise fill Your Holy place!

Let the atmosphere of Heaven be released!

Let the winds blow on the garden,
from the North and the South, and the West and the
East!

Let the atmosphere of Heaven be released!

All over the Earth!

All over the Earth!!

Let the atmosphere of Heaven be released!

Oh Lord, Give us new Hearts and new Minds for Your
Glory!

May Your name be lifted higher, higher and higher!

May Your name be lifted higher, higher and higher!

As we prepare the way, we prepare the way of the Lord!
