[Verse]

The time of singing has come
And the sound of love can be heard in the land
I lay my head on Your heart
Take me to Your chambers, lead me by the hand

[Pre-chorus]

I can't keep my eyes off You
I can't keep my eyes off You

[Chorus]

How I love You
How I love You
How I love You, Jesus

[Verse]

The time of singing has come
And the sound of love can be heard in the land
So keep me here at Your feet
Your words are so sweet, deep calls unto deep
