[Verse 1]

All I've ever wanted was to be a son
And to wash the father's hands and help him as he
runs
In a day where young men are running on their own
I will chase the father's heart, I will chase the double
portion

[Chorus]

I'll be a double portion son
I'll turn my heart to yours for now the time has come
For curses to stop in our land
And together we'll run as heaven smiles over us
And we'll run, and we'll run, yeah we'll run

[Verse 2]

All I've ever wanted was a father's heart
To be here for you every time, no matter the cost
To love you as my very own and help you as you run
To put you on my shoulders and be here to cheer you
on

[Chorus]

You'll be my double portion son
I'll turn my heart to yours for now the time has come
For curses to stop in our land
And together we'll run as heaven smiles over us
And we'll run, and we'll run, yeah we'll run

[Bridge]

And the spirit of Elijah will come to our land.
And the rains of revival will pour once again.
