Verse 1

Your love is like the rain
Falling on my soul
It's covering every place
Making gardens grow
The sweetness overflows
Pouring from your lips
The kisses from above
Let the heavens drip
Let 'em drip down
Let 'em drip down

Pre-Chorus

Your love is like the ocean
I'm drowning in your presence
Your love is like the ocean
I'm drowning in your presence

Chorus

Getting lost in the gaze of your eyes
Getting lost in the warmth of your smile (2x)

Verse 2

Your love is like a room
Full of precious jewels
It takes my breath away
There's riches beyond words
When it's just me and you
I can't remember storms
All I can do
Is melt into your arms

(Pre-Chorus)

(Chorus)
