Carnival people

Put you rags in de air, put you flags in de air, put you
hands in de air, get ready to go

Eh, You rags, you flags, you rags, you flags, oh oh oh
oh oh

People it's carnival again; Whether it's in sunshine or in
rain

Representin' colors from all nations; Ah want to ask you
a carnival question

What's de color of you flag? When carnival start, you
jumpin' up high, and reachin' de sky

Color of you rag? When you jump and wave, like you
jus get saved, and you misbehave

Color of you skin? When you play j'ouvert and a
stranger come and mud up you face

Color of you heart? When de music hit you brain and
you start to jump up

1, Jump up, 2, Jump up, Jump up and show me now

Show me you colors, Jump up it's carnival time

Just show me you colors, Wave you rags and flags up
high

Show me you colors, Start to make a wine

Just show me you colors, De music is yours and mine

The savior made a rainbow for we; It's in the sky for us
to see

Go see when colors unite; Them does even shine more
bright

Side by side we must learn to be; Live in peace and
harmony

It's de spirit of carnival; One love, one heart, one union

What's de color of you blood? When you takin' a drink
with a pardner on de side a de road

Color of you sweat? When you takin a juk, and winin' up
hard, and you soakin' wet

Color of you mind? When you makin' love, and the
skies above, everything's fine

Color of you soul? When you live with love and unity,
with everybody, everybody

Jump up and show me now

Show me you colorsâ€¦.

What's de color of you skin? When you play mud mass,

you play j'ouvert, and don't care 'bout nothin'
Color of you soul? When you jump and dance, with a
million people, in carnival
What's de color of you flag? When you wave it high, it
reach de sky, it's carnival time
Color of you rag? On Labor Day, Miami, Caribana,
Guyana, Trinidad
Show me you colorsâ€¦.
