(B. Bhagan, R. Ramdehal)

I remember, just the other day  
I used to say, how much I love you  
Yes I do, yes I do, I really love you  
And when I held you in my arms, I still remember  
The peace that we would share, between me and you  
I showed you then, girl, honestly, tenderly, I really love  
you  
I loose my mind, everytime I think of the things I've  
done, to hurt you so  
And things you did, to love me more, oh, I'm sorry, girl,  
I was wrong  
And I may win, I may loose, But this the road in life, the  
one I choose  
When I'm alone, I think of love, with you on my mind  
And when I held you in my arms, I still remember  
The things we used to say, the things we used to do  
How much I love you, yes, I do, oh yes, I do, I really love  
you  
I remember, just the other day  
I used to say, how much I love you  
Honestly, girl, you know I love you tenderly  
I really love you  
And I remember, wasn't long ago, just the other day  
Girl, You used to say, you used to tell me, how much  
you love you  
You said you did, I know, I know, I know you did, and I  
really love you
