Gonna be a long night of sexy dancin' f'Ã, sexy
dancin' f'Ã,

Dutty Dutty Flex and Rick up in a de mix, Oh me Oh my
my what is this

Something brand new fe de ladies, so unu fe jump up
and twist right back ah di, Ya Ya

I stepped into the party and saw how you were swaying
your hips

My pulse was racing, checking out your curves and
licking my lips

I like the way you moved, Started shadow dancin' f'Ã,
you

You were feeling my groove, Put my driving in cruise
When you moved it back on me, Looked into your eyes
and I could see, Yes I could see

It f'Ã,'s gonna be a long night of sexy dancin' f'Ã, ,
Your sexiness making me feel so excited

When you hold my body so close f'Ã, - it f'Ã,'s
delighting

You f'Ã,'re makin' f'Ã,' me rise, and I want to start
romancing, You makin' f'Ã,' me rise f'Ã,â€¦

Strictly fe de ladies who know fe, jump up and twist
right back ah dis, Ya Ya

Woman you really lookin' f'Ã,' hot, from de way you ah
bubble

You bussin' f'Ã,' like some peppa, from de way you ah
model

Juggle you ah juggle from de bass and all de treble
Shuffle you ah shuffle, but you put me in a puzzle
Right on de double, you get me goin' f'Ã,' miserable
Tempted as you get me, but you look like ah trouble
Ah you alone I f'Ã,'m watchin' f'Ã,' , I f'Ã,'m
movin' f'Ã,' to you trackin' f'Ã,'

All night I f'Ã,'m clockin' f'Ã,' de traffic wha you
blockin' f'Ã,'

Me na mean fe be so rude, but me want fe see you
nude

Wine baby wine now and give me a glance,
Hold on pan de Dutty with de sexy way you dance, sexy
way you dance

will probably be changed with
You really lookin' smooth, true, you get me in a
de mood
Anticipatin', I'm waitin' for de chance,
'Ca, you ah de hottest thing wha eva tek dis
dance, with de sexy way you dance
It's gonna be a long night of sexy
dancin'.

Strictly fe de ladies who know fu, jump up and twist
right back ah dis, Ya Ya
How you wine you butt on me, And your vibe is so
unique, You know, you put me in this heat
I run my fingers up and down, Your body, wine you to
de ground, You wine your bumsy on me front
I'm rising to the occasion, Can't you
feelin' me rising
It's gonna be a long night of sexy
dancin'.
