Whoah, ah ha ha, yeah, la ba di ba do bi do ba di ya do
ee yeah

She lookin' fine, walkin' in de party,

In she stylish clothing, with she girlfriends

Want to come and dance, she want to get she groove
on

Lookin' so sweet and sexy, how she movin' up she body

In she low-cut pants, spaghetti strap-ons

I wanna move my hands all over she bam bam

Shake that booty, roll you bamsy, move your body,
inside de party (2x)

I started to shadow she and I moved in closer

Hold on to she bam bam, I nearly trip over

Feelin' for a G-string, want to feel that linin'

That thing is so small, I just can't find it at all

She said if you're lookin' for, all of my undercovers

I don't want no strings when ah movin' me bam bam

Shake that booty, roll you bamsy, move your body,
inside de party (2x)

Put me in de mood, when she kissed me on my face

Thought she gonna whisper, but she started nibblin' my
ear

My hot breath on her neck, was starting to make her
sweat

My leg in between her legs, thinkin' bout the night
ahead

Holdin' on to her assets, movin' in time with her hips

Couldn't stop my fingertips all over she bam bam

Shake that booty, roll you bamsy, move your body,
inside de party â€}.
