(R. Ramdehal, K. Bisnauth)

Soca mek you feel so high, put you rags in de air
Ssoca mek you feel so high, put you flags in de air
Soca mek you feel so high, put you hands in de air
All de masses ready to jump up, jump and wave and
mash up de party
Goin' to a soca party, checkin' out dem gyal
Soca got me ridin' dem, jammin from wall to wall
When de soca playin' live, it mek me feel nice
Always energizin' me, dis music always liftin' me up
Back and forth dem gyal dem winin', dem movement
jus' drive me crazy
Soca energy in de place, mek de people feel amazed
It getting louder, it growin' stronger
All de masses ready to jump up, jump and wave and
mash up de party
Make the volume louder, Soca Mek Me High
Hear my people singin', Soca Mek Me High
Pay attention hear it, Soca Mek Me High
Hear de rhythm playin', Soca Mek Me High
Hear de the bass slappin' , Hear the gyal dem
screamin'
Hear the drummer kickin', Hear the fans, dem want it,
Give Dem
Make the volume louder, Soca Mek Me High.
Like to see dem gyal dem movin', shakin' up dem waist
When dem wine dem bumper on me, mek me get a
raise
Hold on when she jam it on me, get ready to ride
Hold on to dem gyal dem waistline, start to jam she
hide
All ah de rude boys who jumpin', watch how dem mash
up de fete
All de sexy gyal dem winin', watch how dem mash up
de fete
All de soca people wilin', watch how dem mash up de
fete
If soca mek you feel amazed, put you rags and flags
up in de air, now
Make the volume louder, Soca Mek Me High.
Soca got me winin', winin' on a waist - line
Movin' to the rhythm, groovin' to de bass - line

Soca got me goin', start to jump up - rave
Soca got me high now, put you flags up - wave
People from all dem nations, colors fly all over de place
Represent you soca colors, put you rags up in de air
Movement all over de fete, no time to stop and gaze
If soca mek you feel amazed, put you rags and flags
up in de air, now
Make the volume louder, Soca Mek Me High!.
