[Rick Ross]

My bitch bad, looking like a bag of money  
That bitch bad looking like a bag of money  
I go and get it and I let her count it for me  
I fuck her good and she always ride it for me

My bitch bad, looking like a bag of money  
That bitch bad looking like a bag of money  
I go and get it and I let her count it for me  
I fuck her good and she always ride it for me

She got me caught up in the moment  
She got me caught up in the moment  
I only kiss her when she on it  
Fuck her good, make her call me in the morning

My bitch bad, looking like a bag of money  
That bitch bad looking like a bag of money  
I go and get it and I let her count it for me  
I fuck her good and she always ride it for me

My bitch bad, looking like a bag of money  
That bitch bad looking like a bag of money  
I go and get it and I let her count it for me  
I fuck her good and she always ride it for me

[Wale]

Temporary forever, levitate with a nigga  
I can teach you, till you hate me but you hate them  
naval kisses  
We can do like 8 positions  
Hit it til your make up missing  
Baby girl my stroke official  
And you know I paint that picture  
Hoes on my line, most of 'em 9's  
Couple of 'em dimes but all my hoes is hard to find  
And I aint always on the prowl its just my soda mixed  
with brown  
Got me quite open for a while  
So let me in or let me out  
And I like my marijuana bright  
And I like my window tinted out

Shout out them strippers who hustle  
Yeah George you know what this about  
I just might throw a big amount  
Don't know if I'm posed to take you out  
I just know I'm posed to praise you up  
Don't mean I ain't posed to take you down  
Word up

[Rick Ross - Chorus]

[Meek Mill]

My bitch bad looking like a bag of money  
Every time she fuck me she say "can I have  
some money?"  
And I say "can I get a threesome?"  
She say "boy, you funny"  
But I be like foreal, just pick up that phone  
Call up one of your girls  
When I'm on that pill and I pop that purp  
Girl I put in that work  
Long as she calling me first  
Its 14 racks when I put on that purse  
Shit that Birkin bag, make the old dude mad  
When I murk through pass in that dark blue?  
She like my style but I talk too fast  
And I got that drive and she just might crash  
Hold up  
She say she fucking with me the long way  
She gon' ride this dick I had a long day  
Nigga look at my bitch you looking the wrong way  
Something mean, look exactly just like the song say

[Rick Ross - Chorus]

She got me caught up in the moment  
She got me caught up in the moment  
I only kiss her when she on it  
F-ck her good, make her call me in the morning
