[Intro: Rick Ross]

I smell pussy on these niggas man
Câ'mon let do it

[Bridge: Rick Ross]

I try to let you pussy niggas eat
It's time to put your pussy boys to sleep
Pussy niggas always wanna talk
I'm busy gettin pussy like a fuckin boss

[Verse 1: Rick Ross]

I smell a pussy from a block away
Lets shoot them pussies from a block away
They wanna see a nigga in a cage
Baby mama gone should a nigga wage
I just went and got the Chevy sprayed
Pussy nigga wanna scratch a nigga paint
Pussy nigga wanna see you fall
You know to bring them choppers when you see me call
I tried to let them pussy niggas eat
It's time to make you pussy boys extinct
I took a quarter Ki to boat conan
All my central Florida nigga straight bowty
Broke down and brick em back in bartow
Bell blade box Chevy on my car phone
J ville I went and bought a condo
Back to the crib where I get it by the car load

[Hook: Rick Ross]

I started with a box Chevy
Then I got the blue Lexus
My bitch stay down with me
So now she got the new Lexus

[Verse 2: Rick Ross]

I went and got my bitch her very own salon
Get her hair do everyday do the fuck she want
I started in a box Chevy
Now my watch a buck eighty
I heard the sane pussy niggas hatinÂ'

The killers comin stay patient
I made a killing milkin okey chobey
I'm talkin millions with that okey dokey
Pop a molly now that bitch sweatin
Or is it just a nigga necklace?
I tried to let you pussy niggas eat
I pray that all you pussy boys de cease
