[Intro: Rick Ross]

They told me it's never too late for prayer

Well Lord! Pray for us niggas

Cause we ready to die for this shit

[Hook: Rick Ross]

If I die tonight I pray I get buried in clean drawers

Line us all up, just bury me with my dawgs

If I die tonight I pray I get buried in clean drawers

Line us all up, just bury me with my dawgs

Bury me with my dawgs, bury me with my dawgs

Line us all up, bury me with my dawgs

Bury me with my dawgs, bury me with my dawgs

Line us all up, bury me with my dawgs

[Verse 1: Rick Ross]

I look to my left, I look to my right

All I see is my blood, all I see is my life

If it go down tonight, my nigga look out for momma

Been robbing my whole life, I gotta look out for karma

Selling them white squares I swear I'm well

prepared

Fifty in my chopper whoever could go to hell

Chopper still heat seeking, block keep getting hotter

When them niggas go to beefing, slide me til we got

â€~em

[Hook]

[Verse 2: T.I.]

Machine gun man, seen him on the news

Every gun I had was one the home invaders

couldn't use

Let a nigga catch me slipping, I refuse, not a chance

Listen dude, Tip can use any tool known to man

And don't think that I can't hit you just cause it

ain't in my hand

Got a sniper, drop your ass where you stand,

understand?

Fifty cal with a scope and a chopper, boy you got to

Plan a way straight to the undertaker, know me for the

doctor

Should I die, lay me next to my daughter Lelah and my

partner

Break your ass off somethin' proper with that

blacka, blacka, blacka

Did just what I gotta do, itâ€™s me or you and boy  
Iâ€™m saying  
Know that ATF is listening, Iâ€™m just playing, Iâ€™m  
just playing
