Ft. T.I.

[Intro: Rick Ross]

They told me it's never too late for prayer  
Well Lord! Pray for us niggas  
Cause we ready to die for this shit

[Hook: Rick Ross]

If I die tonight I pray I get buried in clean drawers  
Line us all up, just bury me with my dawgs  
If I die tonight I pray I get buried in clean drawers  
Line us all up, just bury me with my dawgs  
Bury me with my dawgs, bury me with my dawgs  
Line us all up, bury me with my dawgs  
Bury me with my dawgs, bury me with my dawgs  
Line us all up, bury me with my dawgs

[Verse 1: Rick Ross]

I look to my left, I look to my right  
All I see is my blood, all I see is my life  
If it go down tonight, my nigga look out for momma  
Been robbin' my whole life, I gotta look out for karma  
Sellin' them white squares I swear I'm well prepared  
Fifty in my chopper whoever could go to hell  
Chopper still heat seakin', block gettin' hotter  
When them niggas go to beefin', slide me 'til we got  
'em

[Hook]

[Verse 2: T.I.]

Machine gun man, seen him on the news  
Every gun I had was one the home invaders couldn't  
use  
Had a niggas catch me slippin', I refuse, not a chance  
Listen dude, Tip can use any tool known to man  
And don't think that I can't hit you Jekylls, it ain't in my  
hand  
Got a sniper, drop your ass where you stand,  
understand?  
Fifty cal with a scope and a chopper, boy you got to

Plan a way straight to the undertaker, know me for the  
doctor  
Should I die, lay me next to my daughter Lelah and my  
partner  
Rap your ass off somethin' proper, you'll get blow,  
blow, blow  
Did just what I gotta do, it's me or you and boy I'm  
stayin'  
Know that ATF listening, I'm just playin', I'm just playin'

[Hook]
