(Hellion Talking)

Yea...Dats all I'm doin'!

I'm only doin' my job/

You know doin' whatever it takes to make money/

But you know some people just hate the fact/

Dat im where im at/ And they where they at/

But it's all good/

Listen

(Hellion Verse1)

i tell em...im just doin my job/ i can only be me, why is
dat so hard to understand?/

im only one man, which means i take situations in my
own hands/

but they don't care...they just wanna see me fall off/

even if i did my return would be so hardcore/

hellion get da name in ya head, let it sink through/ they

wouldn't let me in da game i had to make moves/

and when i made it they was so upset/ i guarantee

you...i am one you won't forget/

for this moment...i've earned it...i own it/ give me a

challenge i don't fear no opponent/

the sky is the limit lil wayne said it best, but you don't

get da picture so i gotta address/

everything i ain't playin i worked hard for this money/

so why you tryna knock me down and take it all from

me?/

?uestion, is you mad dat im doin thangz , catch me

stuntin on da scene, so fresh so clean/

answer dat/ nevermind continue to hate. im infatuated

with the love im gettin, wait/

(Hellion Talking Outro)

see what i don't realize is...why u mad at da fact dat im
actually gettin sumwhere wit mines/

i mean...i think i deserve it...don't u???.....well i see im'a
have to continue on wit my life....

i can't stop just cuz one person's doubtin me/ it is what
it is...
