feat. Meek Mill

Drug money it can buy you what you want
Drug money its gonna buy you what you want
Drug money just gonna buy you what you want
Drug money its gonna buy you what you want

Fish scale, Ill buy you what you want
Thousand bill, Ill buy you what you want
A hundred square, Ill buy you what you want
Send em through the air and buy you what you want

I say drug money, its gonna buy you what you want
Drug money, itll buy you every gun
And I got drug money, niggas sliding with them drums
And aint no love for it, better get the hire when we
coming
Im talking fish scale and nigga I could get you
murdered for a brick sale
I pull up on you pussy niggas and I fish tail
I got these haters super sick, I tell em get well
Get well soon hater, Im talking Philly here
I know these niggas hating on me, wanna kill me there
But I still I ride in that foreign popping wheelies, yeah
And fifty bottles make a movie like Big Willy, yeah
And Im still here but really here Im talkin

Drug money it can buy you what you want
Drug money its gonna buy you what you want
Drug money just gonna buy you what you want
Drug money its gonna buy you what you want

Fish scale, Ill buy you what you want
Thousand bill, Ill buy you what you want
A hundred square, Ill buy you what you want
Send em through the air and buy you what you want

I need a tractor trailer, I need cold call in the back
Im talking calculator, dont fuck up a hundred racks,
nigga, no Hilfiger
But I bought a tommy gun, your dude a lil nigga

Now tell me where youre from, Im talking Texaco
I bought a Chevron, Im talking no money
I came to push up on, my niggas A-1
Hugo Chavez with them guns, these niggas parasites
Paradise under the sun, Im talking drug money
Itll buy you every gun, Im talking drug money
We dont even count the ones, Im talking king pin
Living lavish all along, Im talking rich nigga
I aint got to write a song, Im talking

Drug money it can buy you what you want
Drug money its gonna buy you what you want
Drug money just gonna buy you what you want
Drug money its gonna buy you what you want

Fish scale, Ill buy you what you want
Thousand bill, Ill buy you what you want
A hundred square, Ill buy you what you want
Send em through the air and buy you what you want
