This is for the soldiers  
That see the sun at midnight  
You dig, let me slow down  
It's so incredible

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
We the lost symbols speak in cryptic codes  
Ancient wisdom valuable like gifts of gold

I embark on life, my path is all math  
I understand the codes these hackers can't crack  
I understand that folks expect me to fold  
Community control to violate parole

I won't fail but a lot of men will  
I'm iconic in the field like Solomon's seal  
Uh, it's just an intro  
Allow my flow time to sink into the temple

Free mason, freelancer, free agents, we faster  
Big contracts, big contractors, built pyramids, period  
we masters  
No caterpillars, it was just a lot of niggas  
A lot of great thinkers and a lot of great inventors

All white mansion, I'm the child of God  
All black diamonds, times were hard  
New Rolls Royce, guess, you made it, nigga  
All white neighborhoods, you they favorite nigga

My top back like J.F.K.  
They wanna push my top back like J.F.K.  
So, so I J.F.K.  
Join forces with the kings and we ate all day  
Right now I could rewrite history  
I stopped writin' so fuck it, I'll do it mentally

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God we never die

I go to the grave before I be a bitch nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God, we never die

Niggas couldn't do nothin' with me  
They put the devil on me  
I would have preferred if niggas  
Would squeeze the metal on me

Rumors of Lucifer, I don't know who to trust  
Whole world want my demise  
Turn my music up, here me clearly  
If y'all niggas fear me just say y'all fear me

Fuck all these fairy tales  
Go to hell, this is God engineerin'  
This is a Hail Mary pass, y'all interferin'  
He without sin shall cast the first stone

So y'all check in the mirror, double check your  
appearance  
Bitch I said I was amazin', not that I'm a mason  
It's amazin' that I made it through the maze that I was  
in  
Lord forgive me, I never would've made it without sin

Holy water, my face in the basin  
Diamonds in my rosary shows he forgave him  
Bitch, I'm red hot, I'm on my third six but the devil I'm  
not  
My Jesus piece flooded but thou shall not covet  
Keep your eyes off my cupboard  
I'm a bad motherfucker, it's Hov just say you love it

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God we never die

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God we never die

If I ever die, never let it be said I didn't win  
Never, never say  
Never say legend didn't go in  
I'ma go in

I just wanna die on top of the world  
Makin' love to my favorite girl  
I'm makin' beautiful music, we makin' a movie  
We knew we was born to do it

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God, we never die

I go to the grave before I be a bitch, nigga  
Better behave, you're dealin' with some rich niggas  
Started in the ghetto, now we worldwide  
Multiptyin' and I pray to God, we never die
