[Intro]

I see how these niggas playin'  
But I could adapt  
These niggas won't hold me back (x8)  
These hoes won't hold me back  
These hoes won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back

[Verse 1]

I look in my fridge, my shit lookin' scarce  
I got a few kids, we need some shit on the shelf  
I get a knock at the door, they say my rent overdue  
And while my niggas sell dope and don't know what  
else to do  
The only thing on my mind, I'm tryin' to keep on the  
lights  
I call up my slime, I need a kilo tonight  
Everything whipped well, I'm eatin' steak, no more soup  
Then I parked the Capri, I went and bought me a Coupe  
Everything takes time, but this shit came fast  
Niggas standin' in line, they wanna hold me back  
I multiplied my hustle, stimulated my mind  
Motivated my niggas and we'll never divide, no

[Hook]

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo

[Verse 2]

First I got me a Taurus, then I copped me a Lexus  
I took over Florida, my connect out of Texas  
Then I start sippin' purple, got my shit screwed  
When you feedin' your circle, watch your shipments  
improve  
Fabricate 'bout your fortune, all my fabric's imported  
Fornicate in my fortress, 40k still my mortgage  
24k my toilet, all my taxes reported  
All my exes deported, shout-out Texas, New Orleans  
All these niggas influenced by a hustler's endurance

I just me the purest, but I need some insurance  
Niggas watch who you fuckin' just to hate on your  
bitches  
Niggas breakin' the rules, niggas facin' suspicion

[Hook]

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo

[Verse 3]

Momma workin' three jobs 'til I told her to quit  
How we rose from the sewer, funny now I'm the shit  
Niggas ain't gettin' money, but they got an opinion  
Had this tech makin' racket, serve you like you were  
tennis  
Killers ride for that paycheck, AK okay, check  
Bitch nigga let's play chess, yo bitch next, no latex  
These niggas won't hold me back, told the feds they  
sold me set  
Whip 'em right and then come right back  
Whip-whip-whip 'em right and then come right back

[Hook]

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo

[Verse 4]

Pussy ass niggas, pussy ass niggas  
They all pussy ass niggas, pussy ass niggas  
Lookin' down on these niggas, pussy ass niggas  
Pushin' my new Ferrari on these pussy ass niggas  
Pussy hoe, pussy hoe  
She a pussy hoe until she give me pussy hoe  
Pussy hoe, pussy hoe  
Pussy hoe, she a pussy hoe

[Hook]

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo

These niggas won't hold me back (x4)  
These hoes won't hold me back  
These hoes wanna hold me back (x3)  
Noooo
