I like him, but I like you more.  
Your the type that any girl would adore.  
Yupp I am his, but I wanna be yours and I would switch  
all up if I had a choice. I wanna be yours. I like you  
more.

It's my mans homeboy & it aint cool for me to look  
at you the way I do. When you walk by you catch my  
eye feel guilty cause I wanna give you a try I think  
about you & I touch myself if thats so wrong cause  
my mans right here. Your swag make a good girl act  
real bad attracted to a man I just cant have.

Im with him but I like you.  
I know its dead wrong but what Im gonna do?  
You got this girl wantin to be your boo I try to resist  
but Im diggin on you. Why you got to be friends with  
my man? Why you have to slip your number in my  
hand? I knew I shouldn't  
of called but your so damn fly. We got to keep this  
between you & I.

I like him. But I like you more.  
Your the type that any girl would adore.  
Yupp I am his, but I wanna be yours & I would switch  
all up if I had a choice. I wanna be yours. I like you  
more.

I wish you would of been with him the day that we met  
cause this would be you layin in my bed.  
It's sad that Im sittin here full of regret.  
He's a good man but I want you instead.  
Cause I see you when we doin our thang gotta catch  
myself bout to call your name I think its bout time  
for me to break this I dont know how long I can take  
this.

I like him. But I like you more.  
Your the type that any girl would adore.  
Yupp I am his, but I wanna be yours & I would switch  
all up if I had a choice. I wanna be yours. I like you

more.
