[Hook]

I got them keys in the crib
You wouldn't find them if you had the keys to the
crib
Them niggas cheesing, it's real
It ain't cheese if it's less than a mil
I think I'm losing my religion
Praying on these niggas, wrap a kilo in a ribbon
Live every day like it's my last
My only trending topic is the cash

[Verse 1: Rick Ross]

I see no nigga in these clear Gazelles
B! tch-ass nigga, better get some mail
I'm riding in a 6 like this b! tch for sale
That boy Meek Mill squeeze clips for real
See me in the street, rose-gold everything
Moving like hoes got me plotting on your team
Learning your whereabouts, burners to air 'em out
B! tches a motion picture, I'm picturing Paramount
Riding in the Lotus, Teflon Don
With an ambitious b! tch, lotus flower bomb
Wale on burn, young nigga's doing numbers
Double M G got it the next ten summers
I'm trying to do it big forever
Keys to the crib, and I'm with whatever
Kia's to the crib, nigga, bricks wherever
Hundred mil plus til we rich forever

[Hook]

I got them keys in the crib
You wouldn't find them if you had the keys to the
crib
Them niggas cheesing, it's real
It ain't cheese if it's less than a mil
I think I'm losing my religion
Praying on these niggas, wrap a kilo in a ribbon
Live every day like it's my last
My only trending topic is the cash

[Verse 2: Rick Ross]

I see no nigga in these red Gazelles

All I see is women with these massive tails
All I see is youngâ€™s uns with this trash to sell
They got some COâ€™s that get you hash in jail
Little dope, little coke, talking cash for real
Funeralâ€™s never cool, nigga, pass the steel
Iâ€™m a guru in the kitchen, whipping mass appeal
Boobie got a life sentence on his last appeal
Thatâ€™s one of few names thatâ€™ll last for real
Got me drinking from the bottom, no glasses filled
Always purple in the cup, nigga, pass the pills
Iâ€™m the first one here to f-ck, snatch your ass for real
Keys to the crib, boys, keys to the V
If you at the table, then you eat what I eat
Breathe what I breathe, drink what I drink
Smoke what I smoke and we still mink for mink

[Hook]

I got them keys in the crib
You wouldnâ€™t find them if you had the keys to the crib
Them niggas cheeing, itâ€™s real
It ainâ€™t cheese if itâ€™s less than a milâ€™
I think Iâ€™m losing my religion
Praying on these niggas, wrap a kilo in a ribbon
Live every day like itâ€™s my last
My only trending topic is the cash

[Verse 3: Styles P]

Kiâ€™s in the crib, you want keys to the crib
I got work from Argentina and Belize in the crib
Homie holding a nina, could sneeze him a brick
Knee-deep in the cocaine, trees in the six
Biggie on the stereo, seven-digit flips
This is the scenario â€” something go wrong, itâ€™s a
burial
Hit the hood, watch it go around like a merry-go
White seats, new M5, all cherry though
Heard you at Aces, Courvoisier, toasting the niggas
that beat cases
Knowing your connect on a name-to-name basis
Eating with your fam on a day-to-day basis
Weight shit, get the big house and the spaceship
Team of loyal niggas
Thatâ€™ll f-cking boil niggas for a chain or a bracelet
Nigga, you know Iâ€™m living fly
For the love of the game, I put a ribbon on the pie

[Hook]

I got them keys in the crib
You wouldnâ€™t find them if you had the keys to the

crib
Them niggas cheesing, itâ€™s real
It ainâ€™t cheese if itâ€™s less than a milâ€™
I think Iâ€™m losing my religion
Praying on these niggas, wrap a kilo in a ribbon
Live every day like itâ€™s my last
My only trending topic is the cash

[Outro]

If Iâ€™m rich now, is it too much to pray to be rich
forever?
Forgive me Lord! Forgive me
My next move; God Forgives, I Donâ€™t
I think youâ€™ll love it
Rich Forever!
