It's Da Boss.It gets no better than this...

John Legend (Chorus):

Swimmin' in women  
Champagne sippin'  
Gold Emblem with 2 M's in it  
This living' is so magnificent  
Stop dreaming' it  
I'm living' it(Oh I)  
I can show you show you better then  
I can tell u I I can show you Oh I

Rick Ross (Verse 1):

I'm tha magnificent with tha sensational style  
Far from bein' shallow cause she caught me wit a smile  
Try to figure out my style  
Baby that will take a minute but if all we got is time, you  
can't be  
Actin' timid, so we back to playin tennis  
We been goin' back and forth  
She the one that I adore  
So I tried it in aurar  
Conscience intervined concentrating on my cream  
I'm tha king, make a move, pawns all tha way to  
queens  
I'm a don, I'm a boss, I'm a profit, I'm a g, I'm a CEO  
which means that I profit off of me (Yea! ).  
All white T's still rockin' my Nike Airs, fresh outta flight  
school, cause  
I'm fly right? (Yea! )  
Ain't nothin free, I'm chargin'to breathe air  
If it's not a Maybach, really who da hell cares?  
My money long  
My nigga my money strong  
If you ain't gettin' money dat mean you done somethin'  
wrong (Boss! )

John Legend (Chorus):

Swimmin' in women  
Champagne sippin'

Gold emblem with 2 M's in it in  
This living' is so magnificent  
Stop dreaming' it  
I'm living' life(Oh I)  
I can show you show you baby then  
I can tell u I I can show you Oh I

Rick Ross (Verse 2):

I'm tha magnificent with tha sensational style  
Down to all of my automobiles wit no miles  
Yellow corvettes, black rally stripes, and I never phone  
ahead, all she  
Do is hear the pipes  
Project bitches, upscale kittens, fuck her for a minute  
then now we countin' digits  
Maybach money so I always had a vision  
I would always tell ma niggas but... ain't nobody  
listened.  
Words work magic  
Haters wreak havoc  
There ain't nothin'on my back  
But the delicates of fabrics.  
I made a transition from the thieves  
To the biggest executive Def Jam's ever seen.  
Only yours dream  
Sean John suit and a S. Dot ring Sean Don for my crew  
Bad hoes in pursuit, Masspike on a two, Gunplay he a  
glue goon wit a  
Attitude (Holla! )

John Legend (Chorus):

Swimmin' in women  
Champagne sippin', go in tha way, two ends away  
This livin' is so magnificent  
Stop dreaming' it  
I'm living' life(Oh I) I can show you show you better then  
I can tell u, I  
I can show you, Oh I

Rick Ross (Verse 3):

I'm tha magnificent with tha sensational style  
When I decorate a home, marble flooring like Da Nile  
Nigga you a clown  
Here's the number you should dial  
Ye start wit 305 but we end at 4 pounds.  
Stop at(... ?)old pound, for life is a?  
All them Carol City killers  
Feel liking you broke down  
Money is a must tommy guns on a bus  
Allan Zamren on the case, so you know what you can  
suck

Wear red all the time but really I'm colour blind  
Wanna catch my attention nigga  
Throw up a dollar sign.  
One time for tha Crips, young g's buyin cribs and I  
smoke wit Vice  
Lords when I visit Mississip.  
The game never change  
Money still a focal, but it's time to rape tha game  
Like Puffy did Total  
Like Rev Run in the tub still smokin'  
In memory of Shakir  
Boss gotta shout Oakland!

John Legend (Chorus):  
Swimmin' in women  
Champagne sippin'  
Gold emblem with 2 M's in it this living is so  
magnificent  
Stop dreaming' it  
I'm living' life(Oh I)  
I can show you  
Show you better then I can tell u  
I I can show you Oh I
