*[Intro - EbonyLove]*

This for the trill bitches  
Fuck a nigga, money make me cum  
Boss you better tell 'em

*[Verse 1 - Rick Ross]*

I needs a real bitch 365  
Let her count the cheese let her see the pies  
Might say I'm foolish but we have a bond  
She make moves on my behalf when I had no bond  
All the death threats 'cuz I owe niggas  
She told me get rest those are hoe niggas  
That's a real bitch she had to show niggas  
'Cuz I was blind to the fact she was a hoe, nigga  
I'm countin dough, nigga she a double count  
Something come up short she'll point it out  
Niggas try to holla she'll will point it out  
She will catch a flight she will run a route

*[Hook - Rick Ross (EbonyLove)]*

We got grands in this bitch, girl come and get you  
some  
(Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum)

*[Verse 2 - Rick Ross]*

She a real bitch so she gotta stunt  
She get her weave done at least five times a month  
She don't call em purses, bitch call 'em bags  
I don't know the names I know they cost some stacks  
She deserve this she serves her purpose  
She saves her juice box till it look perfect  
Fuck the ? fuck with a astronaut

I'm in the gulfstreams nuts in my ?  
I needs a real bitch, I needs a real bitch  
Ass like Trina and the brains is the business  
I needs a real bitch she get ya what ya need  
She get ya what ya want she'll even roll ya weed

*[Hook - Rick Ross (EbonyLove)]*

We got grands in this bitch, girl come and get you  
some

(Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum)

*[Verse 3 - Rick Ross]*

I needs a real bitch 365

Let her count the cheese can't believe her eyes

Might say I'm foolish but we have a bond

She make moves on my behalf when I had no bond

Cop the big range let her move in it

The condo round the corner with all the tools in it

Take her two minutes she'll be there and back

So when you see that pretty face you better lay ya flat

*[Hook - Rick Ross (EbonyLove)]*

We got grands in this bitch, girl come and get you  
some

(Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum)

We got grands in this bitch, girl come and get you  
some

(Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum  
Money make me cum, money, money make me cum)
