[Intro: Mele]

Now that I'm paid...

Whoooo

[Verse 1: Rick Ross]

Ridin' in a cab, but I'm dreaming on a slab

15 ounces at a time, pussy nigga, do the math

10 ice chains, prince like James

The day I made a stack in the trap, my life changed

Y'all rides swingers, we ride daytons

It don't matter where you from, haters stay hatin'

Keep the windows tinted, artillery when I'm in it

Whip it in the kitchen before Hillary became a Clinton

Assholes by nature, cash flows is major

In the old school, or M codes for kreggers [?]

Started with a crumb, and turned it to a brick

They were calling me a bum, my turn, I'm the shit

Razor flip things, age of 15 (hello!)

Parked the Chevy in that thing, glaze like Kris Kreme

Rolls on the wrist when the shows ain't exist

Now my money long enough to put my foes on a 6

(Bawse!)

[Hook: Mele]

I pull up front to the club with my doors to the sky

(Now that I'm paid)

I shut down the malls like a boss, 'cause I gotta be fly

(Now that I'm paid)

I've got all the bottles I want, bottles I want to hit

I'm a do it 'cause I've got all this money

Nobody gon' stop it (now that I'm paid)

[Verse 2: Game]

[?] with the Franklins, carpooling with Bawse

Army medal on the burgundy Ghost, fuck what it cost

Umbrellas in the doors, Audemars in the dash

Wale in that Ferrari, but that Phantom on his ass

We gon' spend this money, it's whatever, let them

things pop

Kids gon' be alright 'cause Daddy invested in wingstop

Money and residuals comin' like it's a ritual

Drinking this liquid money, them bottles gon' be
invisible
Fuck the rest of you petty cash niggas, I'm invincible
Glocks identical, remove niggas from the physical
Smokin' that dual exhaust, flossin', fuckin' them haters
And finger fucking the waitress while sipping this Ace
Of Spades
I'm throwin' money for nothin', Hawaiian kush I be
puffin'
Sharin' hoes with my crew while these other niggas be
cuffin'
Know she love that money game, stay fuckin' with
double M
Think a nigga about to put her in that bubble Benz
Don't let the devil in!

[Hook: Mele]

[Bridge x2: Mele]

Fuck these niggas, we got all these hoes
(We got all these hoes)
All this money, let me put you on
(All this money in my hand)

[Hook: Mele]
