Silver rails and western tails

Can take you there

But they'll leave you cold

When loves grows old

Changing points

Will spin you west

And leave the darkest hours

That you know best, all gone

Rodeo boy is so much heat

Is so much noise

Rodeo boy is so much heat

Is so much noise

It's a different love

You can't get enough, bigger than us

Yeah, it's a long time curse

Can make you feel worse tonight

Well, I'll come clean

Stepped off that bus

And threw my hat

Took back another cowboy in the dust

Rodeo boy is so much heat

Is so much noise
Rodeo boy is so much heat
Is so much noise
It's a different love
It's a long time curse
Can make you feel worse
You can't get enough
Gonna follow the trail
Head out tonight
Break out the moonshine
Gonna make it right
One more time tonight
