(chorus)

I've Been Lonely

I've Been Waiting For You

I'm Pretending

And Thats All I Can Do

The Love I'm Sending Ain't Making It Through To Your
Heart

(Ross)

I shed tears cause im told that they'll heal

You tell the truth I don't know how to feel

Never felt alone in a room full of friends

Got big plans but you leave em in suspense

Pray for me, patience wait for me

Pay dues, trust me they aint comin

Way back it was hoops, now its maybach coups

And we all took a vow, no squares in the loops

Now we lookin at each other, sittin in a court room

Im laughin, cause its lookin like a cartoon

Never snitch, got it tatood by kartoo?

(somebody switch) by my rules we all lose

(chorus)

You've Been Hiding, Never Letting It Show

Always Trying, To Keep It Under Control

You Got It Down, And Your Well On Your Way To The

Top

But There Is Something You Forgot

(ross)

Flippin through magazines, ridiculed for my life

But they keep takin pictures of my jewells in the light

100g's in the night, entertainin big timers

cause my 1 liners rule these dynamers

smellin rosÃ© on my breath, ex ? fell asleep in his bed

habits we developed livin lavish stackin mail up

clothes come from big n tall ??????

Got live life, tryna live life,

Penthouse for a pimp, only drove the benz twice

Convertible to the cars, cause I murdered all of ours
Get 50 collect calls from dawgs behind bars

(chorus)

You've Been Hiding, Never Letting It Show
Always Trying
To Keep It Under Control
You Got It Down
And Your Well On Your Way To The Top
(TRILLLLLAAAAAAAAAAAA????..ROSS)
But theres something you forgot

(ross)

Fortune n fame are pleasures you couldn't fathom
But fortunately for me my fortune built me a palace
Benjamins by the pallet, im spendin em mighty daily
I know im under sureveillance (I look at it as a talent)
Millions a gotta manage, lil talents up in the rappin
Im such a threat to these n*ggaz (you never know what
could happen)
I started without a coin, not knowin which way im goin
Now im chowderin ?, n readin em a few poems
Weathered all of the storms, now its time to see the
light
I never felt this way bout anythin in my life
Determined to be the best, not lookin back at regrets
How many people you blessed is how you measure
success

(chorus)

I've Been Lonely
I've Been Waiting For You
I'm Pretending, And Thats All I Can Do
The Love I'm Sending Ain't Making It Through To Your
Heart
